### Photo contest 2022

Dear Welsh Black breeder all over the world,

this year we perform the fourth photo contest. We invite you to participate in this event! It would be a pleasure for us and we are excited to see some of your cattle!

There are three categories:

1. Heifer up to 30 month (Minimum age 9 months)
2. Cow with calf
3. Bulls with an age of 24 month or more

Conditions of participation:

- The breeder has to be a member of a Welsh Black society
- Every breeder is allowed to send **one picture per category**
- The pictures should be taken from 23.01 until 15.09.2022
- Please send the pictures per E-Mail as **JPEG** with the **date of birth and the name of the animal**
- The pictures have to be taken only on the meadow without human influence; please take care that the cattle are photographed from the side and few plants which could cover the good view on the cattle. On pictures from cow with calf both animals have to be on view.

The photo contest will be judged from Lynn Foxwell!

**Please send the pictures to [victoriaburchardt@gmx.de](mailto:victoriaburchardt@gmx.de). Deadline is the 15th of September 12 pm!**

**Don't forget your name and your address!**

**If you send pictures, the German Welsh Black society will get also copy rights on this pictures and is allowed to publish them.**

We hope for an active participation!

Warm greetings

Victoria Burchardt
