2. Cow with calf
3. Bulls with an age of 24 month or more

Conditions of participation:

- The breeder has to be a member of a Welsh Black society

- The pictures should be taken from 23.01 until 03.10.2023
- Please send the pictures per E-Mail as **JPEG** with the **date of birth and the name of the animal**
- The pictures have to be taken only on the meadow without human influence; please take care that the cattle are photographed from the side and few plants which could covert the good view on the cattle. On pictures from cow with calf both animals have to be on view.
